PROFESSIONAL SUMMARY

Computer Science and Engineering student with hands-on experience building responsive web applications and Android-based mobile solutions using HTML, CSS, JavaScript, Java, XML and Firebase. Experienced with Firebase Authentication, Realtime Database, Storage, GitHub and Vercel deployment through academic and personal projects. Interested in software development opportunities where practical problem solving, continuous learning and user-focused product development are valued.

TECHNICAL SKILLS

Languages & Markup: HTML, CSS, JavaScript, Java, XML
Backend / Cloud: Firebase Authentication, Firebase Realtime Database, Firebase Storage
Development: Responsive Web Design, Mobile App Development, Problem Solving
Tools & Deployment: GitHub, Vercel, Firebase

PROJECTS

Departmental Portfolio - CSE Achievement Management System
Live: https://departmental-portfolio.vercel.app
Tech Stack: JavaScript, HTML, CSS, Firebase

- Built a web-based system for a CSE department to record and showcase student and teacher achievements.
- Implemented secure admin authentication, achievement entry, public achievement display, responsive interfaces and real-time Firebase data updates.
- Deployed the project on Vercel, creating a structured and presentation-ready departmental portfolio.

HallMate - Hall Management Mobile Application
Repository: github.com/rakatashraf/HallMate
Tech Stack: Java, XML, Firebase Authentication, Realtime Database, Storage

- Developed an interactive hall-management application with a student dashboard and hall information features.
- Integrated Firebase services for authentication, real-time data handling and storage.
- Added meal on/off controls, payment-related functionality, sound effects and background music to support an interactive user experience.

EDUCATION

Bangladesh Army University of Engineering and Technology (BAUET) — 2023 - Present
Bachelor of Science in Computer Science and Engineering

Govt. Tolaram College — 2019 - 2021
Higher Secondary Certificate

Narayanganj Ideal School — 2019
Secondary School Certificate

CORE STRENGTHS

Problem Solving | Fast Adaptability | Leadership Mindset | Creative Execution | Responsibility | Continuous Learning
